SOC 4086	THE 3046	THE 3056	ART/MSC/THE Studio Elective Courses				

## Career Exploration

Business journalists research, report, mine data, and communicate news to different audiences. These professionals tend to focus on financial markets, economic trends, general business activity and societal changes. They gather, record and analyze research and data to develop stories to inform the public on current and historical events in mediums including newspapers, magazines, radio and television.
