

Math Advisement Sessions

Spring/Summer 2020

As indicated below, each faculty member will be the (Alternative) Host to a Zoom session. Please make sure you are familiar with Zoom. The Center for Teaching and Learning has been running introductory classes on its use. You can also find many demos online. I believe I set up the sessions so students will be in a waiting room and you can deal with them one at a time.

All sessions are on Wednesdays from 3 – 5 PM
