### Check your Transfer Credit Report for a Pathways “Requirement Designation”

#### AA/AS Degree
- CUNY and non-CUNY Associate of Arts (AA) or Associate of Science (AS) degrees fulfill the Required and Flexible Core Requirements.
- AA and AS students are waived from courses #3 and #4 of the College Option.

#### AAS Degree
- Students with an Associate of Applied Science (AAS), CUNY and non-CUNY, may still need to satisfy areas of the Required and Flexible Core.
- AAS students are waived from courses #3 and #4 of the College Option.

#### Bachelors Degree
- Students with previously earned CUNY or non-CUNY Bachelor's degrees (second degree students) have fulfilled all Common Core Requirements: Required Core, Flexible Core, and College Option.

~ A Pathways Requirement fulfilled at one CUNY college will satisfy the same requirement at all CUNY colleges.

~ Baruch College determines if a course transferred from a non-CUNY will satisfy a Pathways Requirement.
Courses in progress (CIP) need to be completed and updated in CUNYfirst before registering for the next course.

**Flexible Core 6th Course** – Selected from one of the other areas
The Baruch College Option was designed to encourage students to include a minor in a Liberal Arts subject in their academic plan. Courses #2, 3, and 4, taken in the same area, complete the minor requirement. The minor must be selected from the list of approved minors and course #2, the 4000 level Capstone course, must be completed at Baruch.

Students who have earned AA/AS/AAS degrees are waived from courses 3 and 4. You may choose from this list of Capstone courses with fewer pre-requisites: COM 4901/4905/4906/4907, JWS 4900, AMS 4900, LACS/BLS 4901/4902, 4000 level ENG/JRN/CMP or foreign language (based on placement).

The Capstone must be selected from a subject outside of the student’s major.

The College Option

1. Great Works of Literature
   ENG/CMP 2800/2850

2. 4000 level Liberal Arts Minor Capstone Course

3. 3000 level Liberal Arts Minor course

4. 3000 level Liberal Arts Minor course

Pre-Weissman Core

Completion of:
• COM 1010
• 2 semesters of the same Foreign Language
• 2.0 Baruch cumulative GPA

1. Double Major: choose two liberal arts subjects
2. Ad Hoc Major: create your own major
3. Start your major early - take major courses once you have the course pre-requisites
4. Some liberal arts majors require advanced math courses. Otherwise, BA majors can take MTH 2140/2160 for the Pathways: Required Core

Weissman Majors That Require More Advanced Math
Marxe School of Public & International Affairs

**BSPA Core**

Completion of:
- PAF 1250 or POL 1101
- MTH 2003/2009 or higher
- ECO 1001
- 45 credits and a 2.25 Baruch cumulative GPA

1. BSPA prepares students to analyze problems and effectively solve issues related to public life.

2. The BSPA curriculum provides proficiency in analysis, negotiation, rhetoric and qualitative and quantitative methods.

3. Contact the BSPA advisor at mspia.bspa@baruch.cuny.edu

• **Previous grades do not transfer to Baruch.** However, they are reviewed to determine Zicklin eligibility.

• Courses completed at your previous school *(credits received)* may not be repeated at Baruch.

• **Check/comply** with course prerequisites, otherwise you risk being dropped from courses.

• The **WU** grade is equivalent to an “F”.

• **Three Time Repeat Policy** - Baruch College has a policy restricting students to a maximum of three registrations for any single course. Three registrations include grades of W, WU, WN, PEN, FIN, FPN, and F.

• **F Replacement Policy** – You can replace up to 16 credits of F’s or F equivalents (CUNY-wide) if you take the same exact course and earn a C grade or better.

• You must earn a 2.0 Baruch GPA in order to be in **“Good Academic Standing”**. Falling below a 2.0 GPA will put your financial aid at risk.

• Students who receive **New York State financial aid (TAP)** must be aware that TAP will not pay for courses which are not required for your degree. Review TAP policy on the Registrar’s website.

**Requirements are subject to change. Read your Baruch webmail, College Bulletin, Academic Calendar, and other College literature.**
When waitlists are processed and a seat is available, the next eligible student on the waitlist, who has completed all the prerequisites is automatically enrolled without notification. Students need to remove their names from waitlists if they do not want to take the class. Students can remove themselves from waitlists using the standard “DROP” enrollment feature. Students need to continually check their CUNYfirst schedule to see if auto-enrollment in a waitlisted course has occurred. Since waitlists are processed up until the end of the registration period, students may get a seat last-minute and bear financial consequences.

WAITLIST POLICIES

- Students are allowed to be waitlisted for a maximum of 8 units in any given semester.
- All waitlists are processed through CUNYfirst on a first-come, first-served basis.
- Zicklin professors and departments are not permitted to grant registration permission for closed/waitlisted sections.
- Being waitlisted does not guarantee a seat in the course.

If you no longer plan on attending Baruch, you are responsible for dropping all of your courses on CUNYfirst. Failure to officially drop your classes will result in assessed enrollment fees (i.e., tuition) for which you are responsible for, as well as any failing grades on your transcript.
