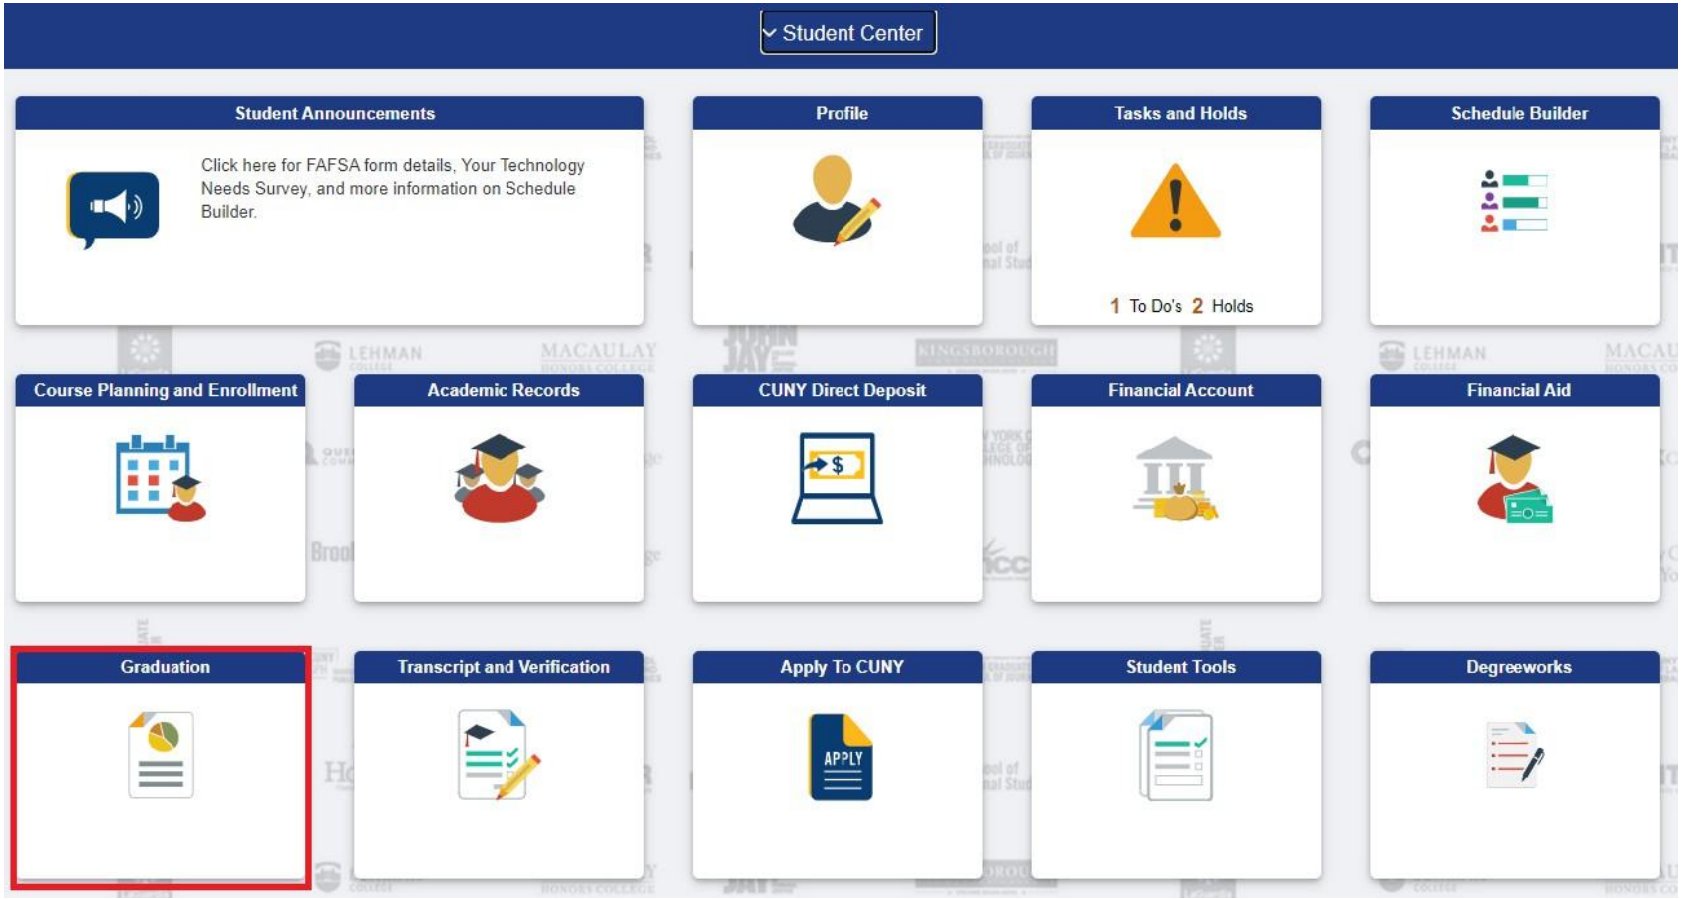
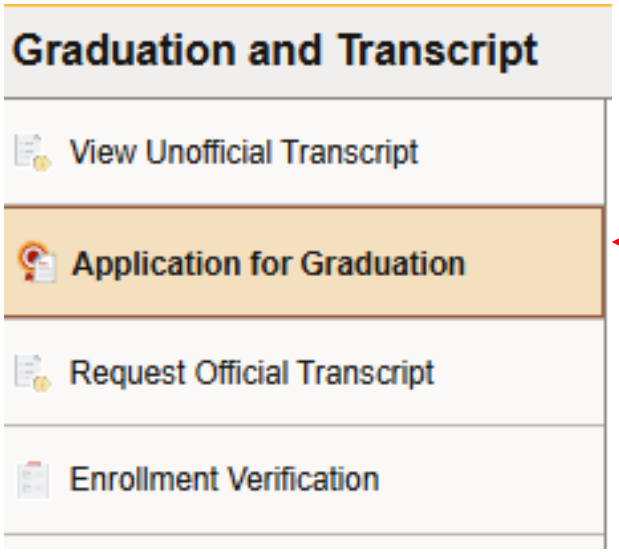
Online Graduation Application

Student can access via CUNYFirst > Student Center > Graduation

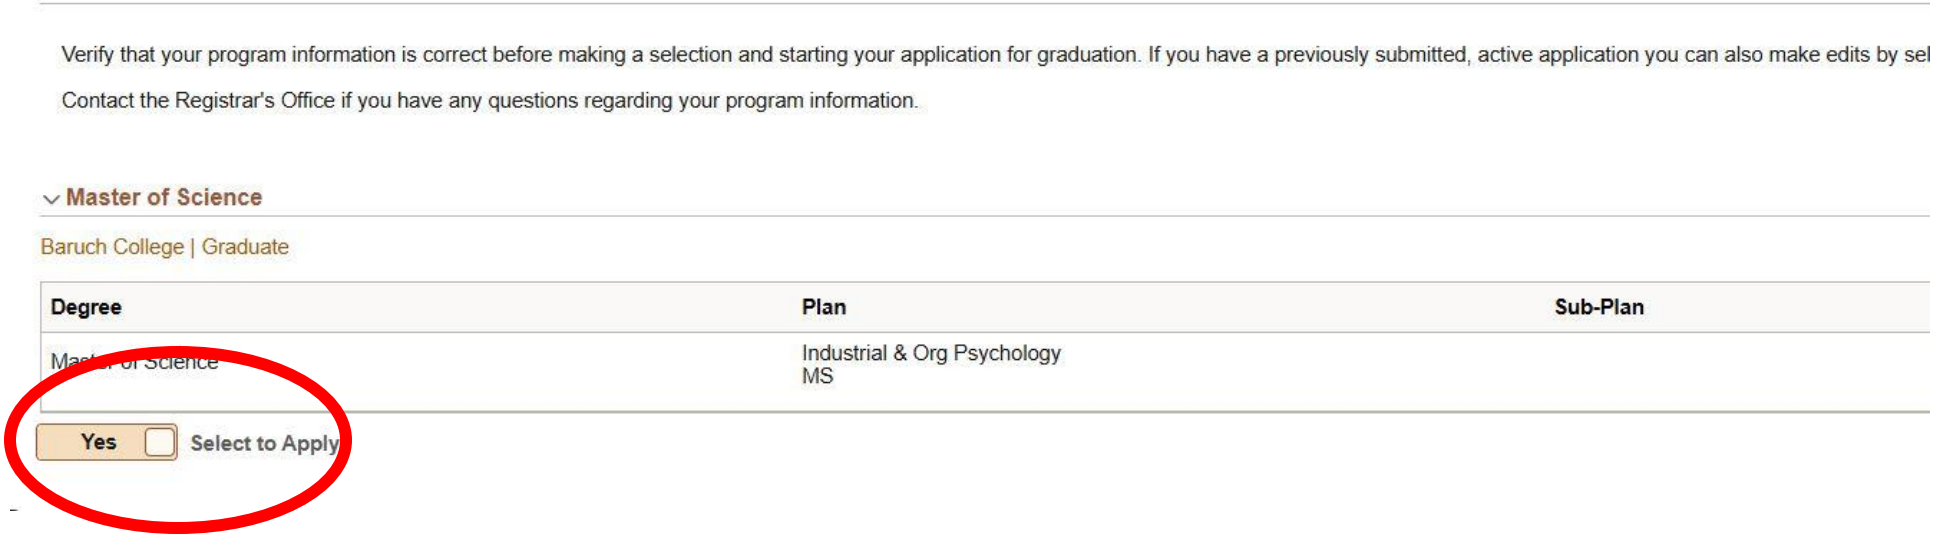


Online Graduation Application



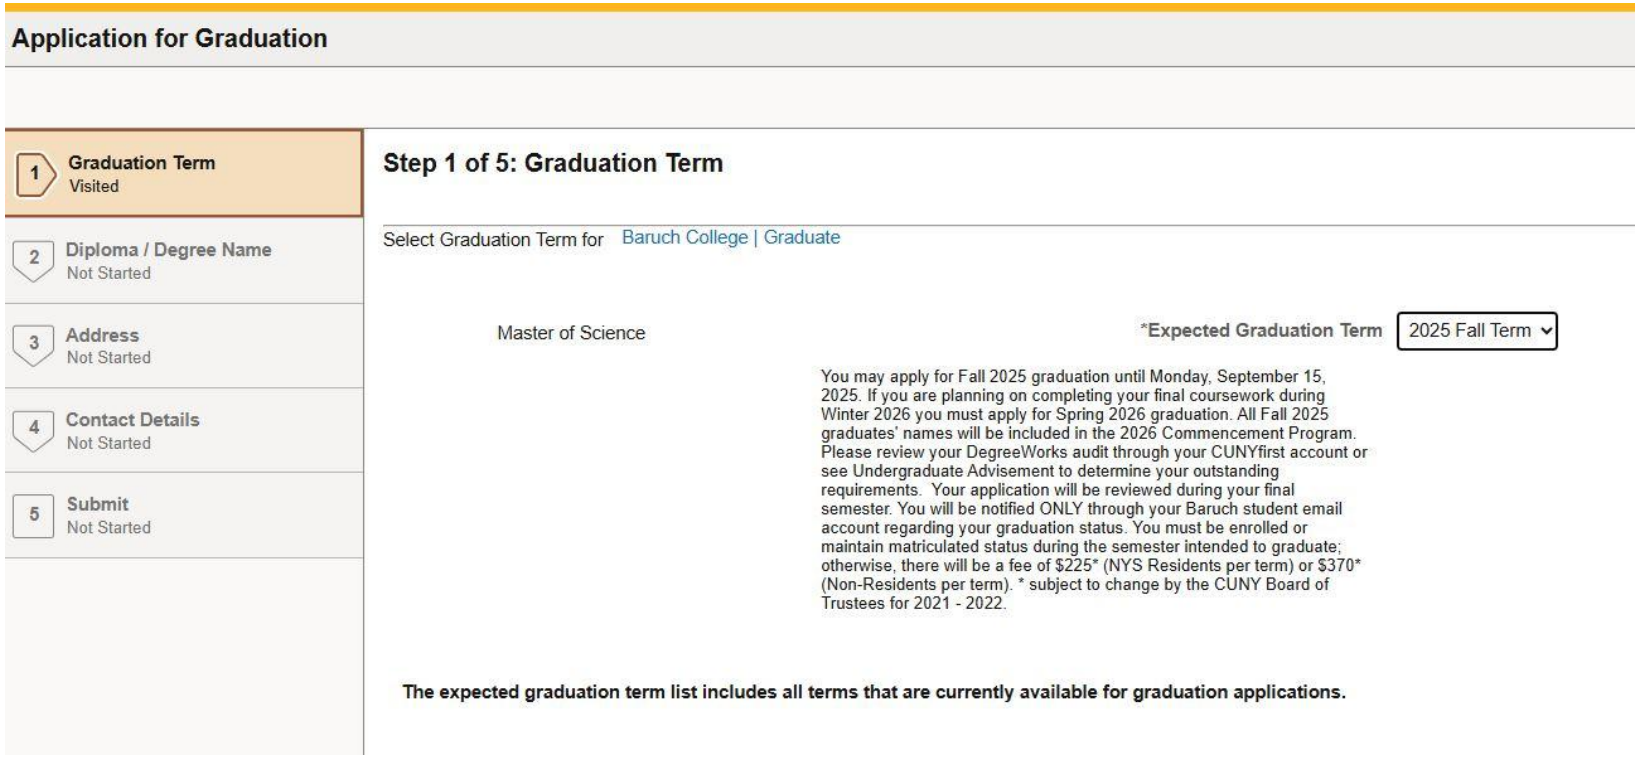
Select “Application for Graduation” from the menu. Your academic programs will appear. Please note that if you have attended more than one CUNY school, please make sure to select the program affiliated with your Baruch College program.

Online Graduation Application



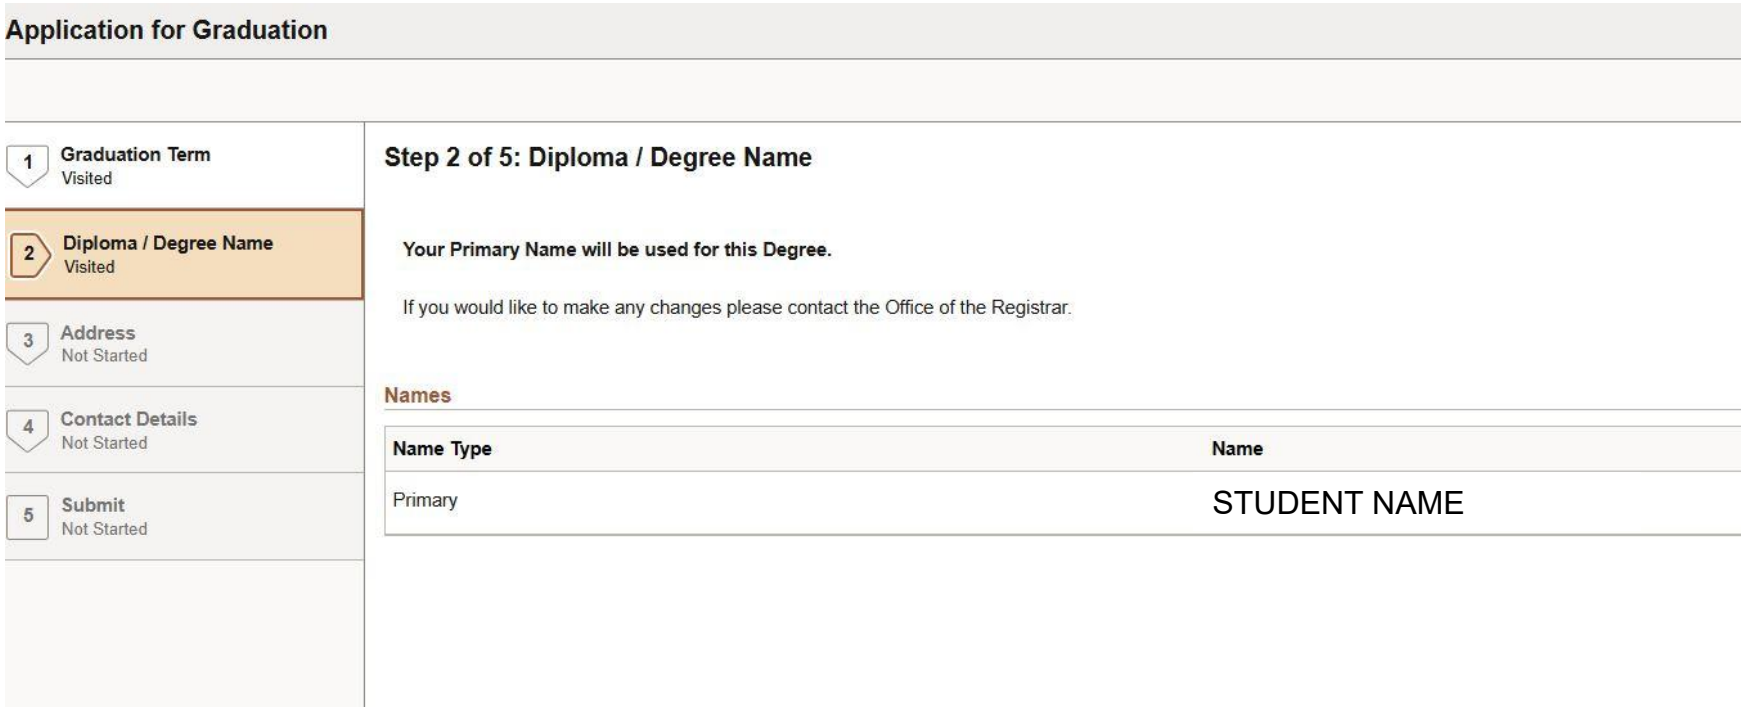
Change the "**Select to Apply**" button from no to yes under the appropriate program and then **Apply** in the lower right. Please note that if you have applied for graduation previously, this option will not be available to you, and you will need to submit the Application for Graduation form.

Online Graduation Application



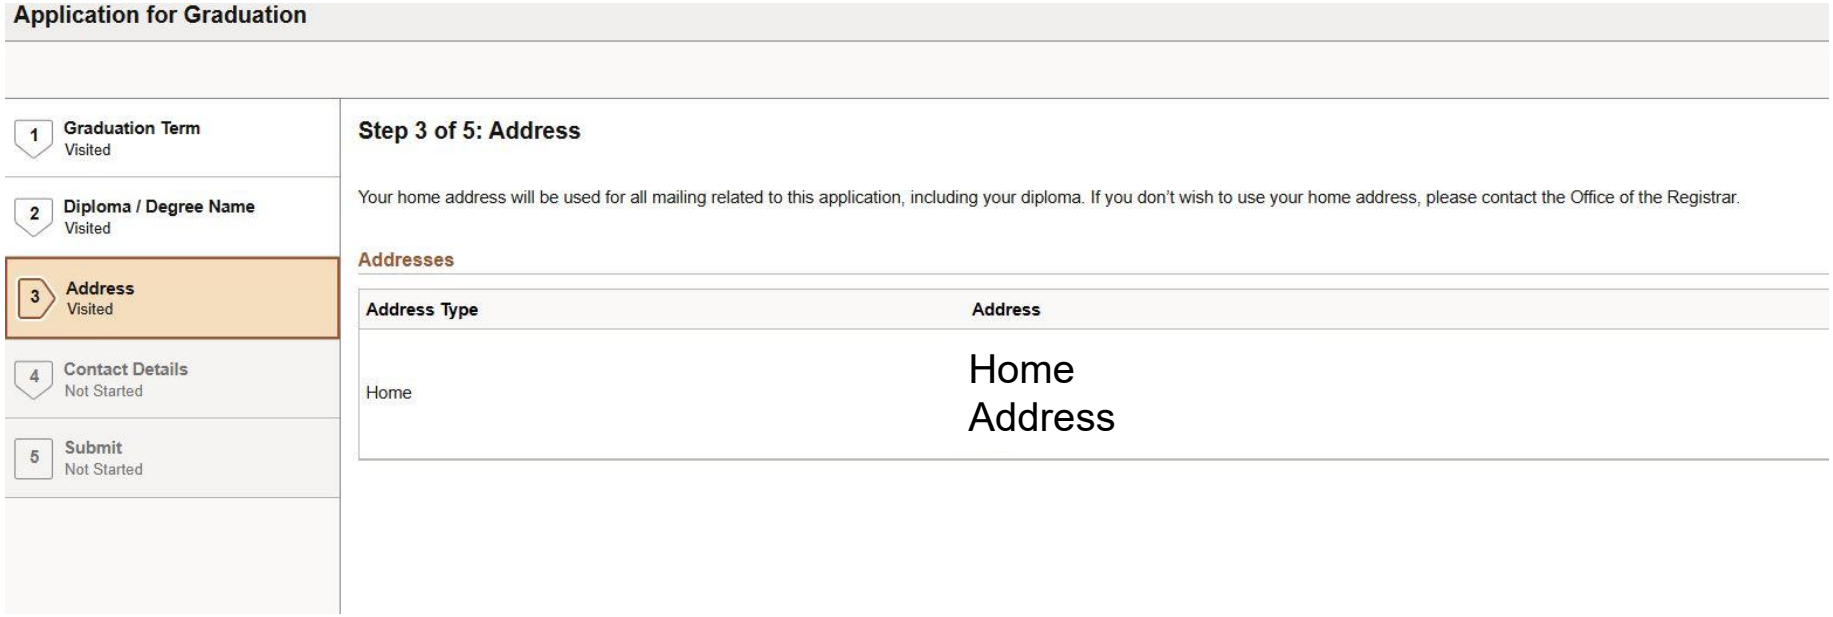
Ensure that the correct “Expected Graduation Term” is selected—only one graduation term is available at any given time. If the graduation term is correct, review the application information and select **Next** in the top right. If the graduation term is not correct, do not apply and contact GraduationAudits@baruch.cuny.edu for further assistance.

Online Graduation Application



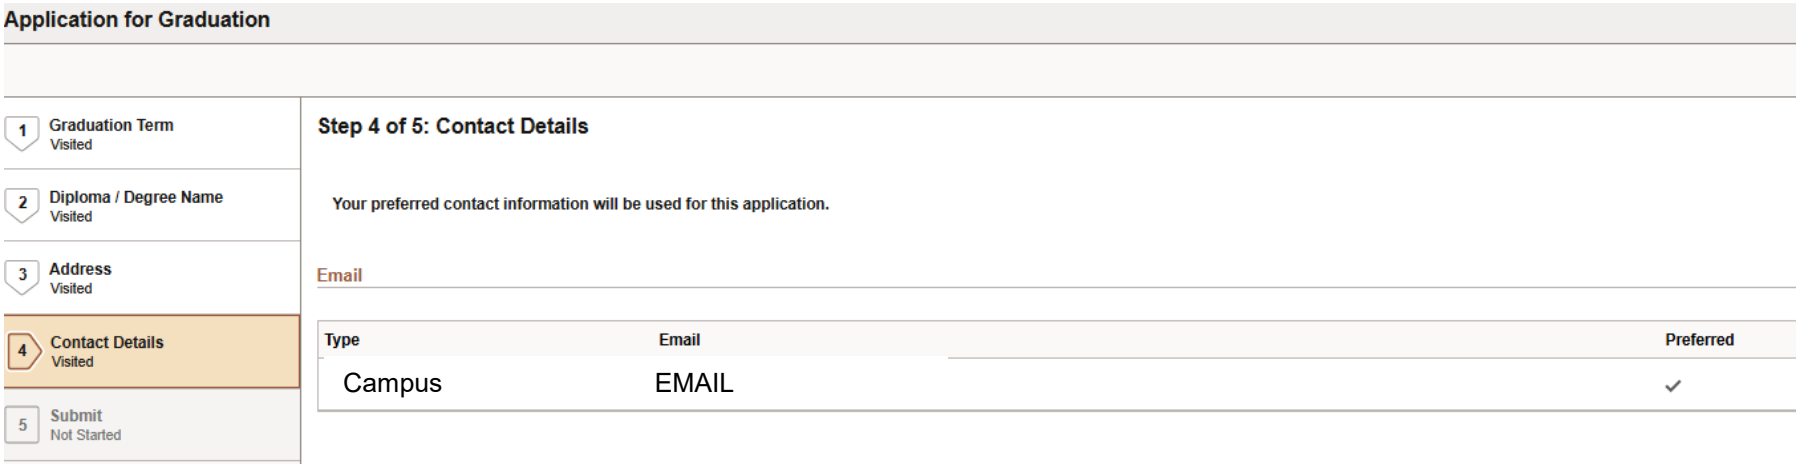
Review how your name will appear on your diploma. Please note that middle names and suffixes are not displayed in this section. To ensure this information is included, contact GraduationAudits@baruch.cuny.edu. To continue, select **Next** in the top right.

Online Graduation Application



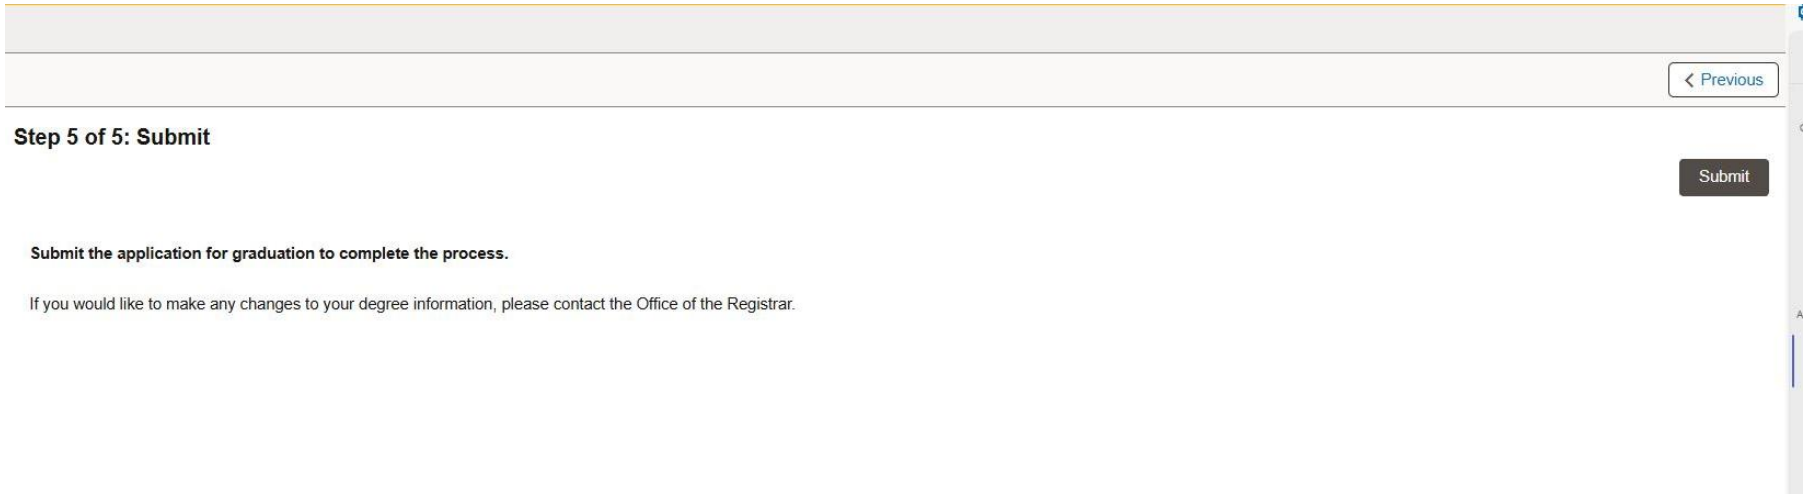
Review the Home address on your record. If the address listed is incorrect, please submit a Personal Data Change request to update your address. If the address is correct, select **Next** in the top right.

Online Graduation Application



Please note, all notifications regarding graduation are sent to campus email accounts regardless of the preferred email listed in “Contact Details”. Please monitor your student email for updates. Select **Next** in the top right to continue.

Online Graduation Application



Select **Submit** in the upper right to apply for graduation.
